Math 1210-2 Homework 5

Due on Friday, July 11

Name:_____ **Time:**____ hours.

Instructions: Please staple this page to the front of your homework. The line marked "Time" is for you to tell me the number of hours you spent working on this homework. This will help me gauge how difficult the homework assignments are. Below is a list of questions from the homework packet you are to turn in. In addition, please offer the following comments.

Homework Problems: 90–106.

Comments (Please answer, but this will not be graded):

1. How long did this homework assignment take you (fill in the time above)?
2. Please comment on the assignment and the class in general.
3. Do you feel you are understanding the material?
4. Do you feel that what you are learning will be beneficial to you?
5. Other comments or suggestions?

Thank you.
