Policy on Dailies: The highest 96 boxes will be counted. The lowest 6 of the 102 boxes will be dropped. Any record with less than 60 daily scores earns a grade of **E**, regardless of midterm and final exam scores. Site www.math.utah.edu/~gustafso/ has deadlines. Work not in the stack sent to the assistant is late and it earns a grade of zero.

Policy on Exams: The final exam is doubled before determining the exam average, to count like two midterms.

Grading Scale: A = 95-100, A- = 92-94, B+ = 88-91, B = 84-87, B- = 80-83, C+ = 75-79, C = 65-74, C- = 60-64. Decimals are truncated, not rounded, to fit a letter grade. See the syllabus.
