Through the inclusive access program, you will have access to an e-book version of the course text, **Using & Understanding Mathematics, A Quantitative Reasoning Approach**, by Bennett and Briggs, the 7th edition and the online homework site, **MyLab and Mastering**. Inclusive Access is a program between the publisher and the U of U where the cost of your course materials is added to your tuition bill. This program reduces the cost of course materials for students because the purchase is made in bulk for all students in a course, rather than individually. The cost is \$95.76.
