

Name: _____

Number: _____

Math 1010 Contract

Your goals for this semester and this class: _____

In order to facilitate the achievement of my goals for you, I ask that you:

1. Engage fully and thoughtfully in all in and out of class activities.
2. Assist others in their learning journey both in class and online.
3. Not allow outside considerations to distract you from the work at hand.
4. Communicate with me regularly both about your mathematical needs, as well as any administrative issues you may have. Carefully read all the course related correspondences.
5. Abide by all the University of Utah rules for academic behavior.

In order for you to achieve your goals, you will need from me and your peers:

1. _____
2. _____
3. _____
4. _____
5. _____

In order for you to achieve your goals, you intend to:

1. _____
2. _____
3. _____
4. _____
5. _____
