

<p>Application Materials and Checklist Domestic Applicant</p>

Minimum Requirements:

1. A bachelor's degree in Mathematics or equivalent;
2. A cumulative GPA of at least 3.0 for undergraduate and graduate (if any) coursework.

Department Application Deadlines:

Spring Semester: November 1

Summer Term: March 1

Fall Semester: January 15 for full consideration. Applications will be accepted until March 15 for admission only.

.....

The application materials are linked to this checklist and are specific to your application process as a domestic applicant to a graduate program in Mathematics. Follow the checklist closely to avoid delay in the processing and review of your application.

Checklist for Domestic Applicant

I. Apply to the University of Utah Graduate Admissions Office

- A. Apply online or you may download the application in PDF, submit the following required documents and fees:
 - i. An application fee of \$55 for domestic students;
 - ii. All official college transcripts, whether you earned a degree or not.
- B. Track your admission status online regularly until all required documentation is received and processed.

II. Apply to the Mathematics Department for Admission to a Graduate Program

- A. The following documents must be completed and submitted to the Graduate Program Coordinator by the specific deadlines noted above:
 - i. Application for Admission and Financial Aid Form;
 - ii. Three Letters of Reference, using the reference form;
 - iii. All official college transcripts, whether you earned a degree or not;
 - iv. An official GRE subject score transcript. This is not required, but it is highly encouraged.
- B. All documents and applications must be legible and meet departmental deadlines, as noted above.
- C. There are no fees to apply to the program.
