Math1080 Extra Credit Scavenger Hunt

Clue #1: Go to the Marriott Library and find the Reserve Desk where our Math1080 book is on reserve.

Answer this question: The book can be checked out for ____________ hours.
Get the next clue from the person at the desk.

Clue #2: Go to the Math Tutoring Center located in the basement between JWB and LCB buildings.

Answer these questions: What are their hours for the Tutoring lab?

Get the next clue from the person at the desk there.

Clue #3: Go to the Math Computer Lab (right next to the Tutoring Center).

Figure out how to print the class notes (for free) in this computer lab. There is a lab assistant who can help you, should you need it.

Get the next clue from the lab assistant.

Clue #4: Go to the main math department office building in JWB.

Find my office in this building and write down the name of the person who is in the office directly across from mine. ________________________________

Get the next clue from the envelope on my office door.

Clue #5: Go to the University Tutoring Services in SSB330.

Answer this question: How much (per hour) is private tutoring through this office?

Get the final clue from the person working there.

Final Instructions:

Glue or tape all five clues onto one sheet of paper with your name at the top of the paper. Turn this in on Monday, September 8th for extra credit. This will NOT be accepted late under any circumstances, since it's extra credit.
