

Math1100 Textbook Information

**Mathematical Applications for the Management, Life and Social Sciences, 12th Edition,
by Harshbarger & Reynolds
ISBN 13: 978-1-337-62534-0**

Because we want to save money for students purchasing math textbooks, we have switched to the Inclusive Access Program.

- An email will go out to all Math1100 students prior to the first day of class with information on what Inclusive Access is and instructions on how to access their digital course materials. Essentially, students will be billed for the book along with their tuition, and they won't need to do anything else to get access to the online book with this option.
- Students have the option to OPT OUT, but the default is to opt in. If a student opts out during the first two weeks of class, they will not be charged for the book. If they opt out, the student will be responsible to purchase/rent/borrow the book elsewhere.
- Through the Inclusive Access Program, students will receive a digital copy of the book. The cost for Math1100 access is around \$40.00.
- If a student wishes to order a hard copy of the book, they can talk to Shane Girton (U of U Bookstore) and a copy of the book can be special ordered.
- Lastly, we will, of course, have a couple copies of the book at the Reserve Desk in the Marriott Library that you can check out for three hours at a time. This is a free option for students.

If you have any questions or feedback, please feel free to email me.
