**Grading:** The course grade will be based on the following:

Homework	40%
Quizzes	30%
Final Exam	30%

**Homework:** Homework will be due twice a week. Assignments will be posted on the class website. Problems must be done on 8.5" by 11" paper in the order assigned. Assignments are due by the end of class on the due date. Late homework will not be accepted. If no work is shown, there may be no credit given. Illegible homework will receive no credit. Staple multiple page assignments and tear off rough edges before handing in homework.

**Quizzes:** Quizzes will be given every Friday at the end of class. The lowest quiz grade will be dropped.

**Final Exams:** The final exam will be given on Wednesday, June 24 from 9-11 a.m. It will cover material from the entirety of this course. No make-up exams will be given. If you are unable to make it to the appointed time for the final exam, you must let me know as early as possible so you can take the exam before the test date.

**Calculators:** You are allowed to use calculators for homework, exams, and some quizzes. Calculators on cellular phones, blackberries, PDAs, and other devices with transmitters will not be permitted for exams and quizzes. Sharing calculators is not allowed during exams and quizzes.

**Attendance policy:** Attendance will not be taken. However, it is your responsibility to stay up-to-date on the material covered in class and to learn of any announcements given, as you will be held responsible for them.

**ADA Statement:** The Americans with Disabilities Act requires that reasonable accommodations be provided for students with physical, cognitive, systemic, learning, and psychiatric disabilities. Please contact me at the beginning of the semester to discuss any such accommodations for this course.
