

Math 1050 Tentative Schedule

This is a rough idea of how I hope to proceed through the course material, but I will adjust the schedule if the class needs more or less time for some material. I will update this calendar regularly so that it will always be accurate for past class days. Quiz and exam dates will NOT change. **Last update: 7/12**

<u>May</u>	<u>Homework</u>	<u>Read</u>
13: Introductions / Syllabus / A.1, A.2	A.1, A.2	A.1-A.4
15: Quiz 0 / A.3, A.4	A.3, A.4	A.5-A.7
