MATH 20000: Homework 3 Part II
Due Fri Oct 30

Due to the midterm this homework assignment will come in two parts.

Problems: For full credit you need to show all the work leading to your solution.

4.1: 9,12, 20, 25

4.2: 2, 9, 12 (if you want to learn some more in depth about curves check out 16-23, but this is not required)

4.3: 2,7,8,9,10 (these are all short), 12, 22
