Hour Exams: 20% each

Final Exam: 50%

Homework: 10%

Important dates:

Hour Exams: In class on Wednesday, April 18 and Friday, May 11.

Final Exam (Section 31): Tuesday, June 5.

Important Notice:

It is the policy of the Department of Mathematics that the following rules apply to final exams in all undergraduate mathematics courses:

1. *The final exam must occur at the time and place designated on the College Final Exam Schedule. In particular, no final examinations may be given during the tenth week of the quarter, except in the case of graduating seniors.*
2. *Instructions are not permitted to excuse students from the scheduled time of the final exam except in the cases of an Incomplete.*
