List two things about the course content, materials or design that were effective for your learning, or make constructive suggestions for improvement.

- This was a research project course that was a great experience. I learned so much and it was very much worth the extra effort.

RASSOUL-AGHA,FIRAS: List two things about this instructor that were effective for your learning, or make constructive suggestions for improvement.

- Firas is (after a couple of classes with him) one of the best professors I've ever had. He is very helpful, very knowledgeable, and loves his subjects. He is very enthusiastic about his students learning and coming to love statistics.
