	Question: Comments on course effectiveness
	It seemed like the book didn't have as much information in it as was presented in class so outside of class it was hard to find information on some of the things that were taught while i worked on the homework and stuff. Class notes would have been helpful if they were posted but because the instructor was always available and willing to answer questions and clear things up it was ok.
	Question: Comments, suggestions on instructor performance
RASSOUL-AGHA	The instructor was always available if we had questions or needed help, both in his office and over email. That was extremely helpful. He gave us very challenging homework that forced us to problem solve and make sure we fully understood the material that was taught in class. Overall he was a great instructor!
