Rules For Homework Submission:

1) Please make sure your assignment is stapled or otherwise adequately secured. If it is not and I lose a page you will not receive credit for the missing work.

2) Make sure each problem is clearly labeled and your answer is boxed/circled. Show as much work as you can. Your homework assignments are a terrific resource for studying that will do you no good if you cant figure out what you had done.

3) Try to complete the problems in order or include an index page.

4) You can work with other people to figure the problems out but each person needs to submit their own assignment with their own work.
