

Math 1030-003, Group Effort Evaluation

Spring 2012

Use this sheet to evaluate each member of your group, including yourself. You should award from 0 to 5 points to each person and give a brief written justification for the points awarded. Do not attach these sheets to the group project - hand them in separately. Failure to turn in this group evaluation will result in a loss of points on the group effort portion of the project.
