I would also recommend you look over your quizzes that cover this material and redo those problems, as well as look over the notes from class.

The test covers sections 0.7, 1.4, 2.4-2.9, and 3.1-3.3. No calculators are allowed for this exam.

You can also bring a 4x6 inch note card of notes (on both sides, if you want) to use as a reference. Make sure it's truly a 4x6 card and not something that closely resembles a 4x6 card. If you need one, I can provide one for you.
