

Homework for Math 1220

Fall 2009 Week 1

Instructor: Rémi Lodh

Due Fri. 4th September

Guidelines for homework

- Please do all problems.
- Show your work. This does not mean that you include your rough, it means that after solving the problem you write up the answer.
- Staple your homework sheets together. Failure to do so will result in a points penalty.
- The marking scheme is as follows: 3 marks for the answer with complete reasoning, 2 marks for complete reasoning but wrong answer, 1 mark for some work leading up to the answer.
