

Homework for Math 1220

Fall 2009 Week 9

Instructor: Rémi Lodh

Due Fri. 6th November

Guidelines for homework

- Please do all problems.
- Show your work. This does not mean that you include your rough, it means that after solving the problem you write up the solution.
- Staple your homework sheets together. Failure to do so will result in a points penalty.
- The marking scheme is as follows: 3 marks for the answer with complete reasoning, 2 marks for complete reasoning but wrong answer, 1 mark for some work leading up to the answer.

Homework Problem List

§8.4 : 1,2,3,4,5,6,7,8,9,10,11,12,

§9.1 : 1,2,3,4,5,6,7,8,9,10,21,22,23,24
