List two things about the course content, materials or design that were effective for your learning, or make constructive suggestions for improvement.

- The examples were extremely helpful
- the book was very helpful the content was very organized, and her examples were very helpful
- The hand outs were extremely useful
- Lab assignments followed closely to class material.

HORVATH,ZSUZSANNA: List two things about this instructor that were effective for your learning, or make constructive suggestions for improvement.

- I liked the fact that she didnt lecture much and just gave us hints along the way so that it was a more independent learning experience.
- she was very intelligent with the subject was very helpful in helping the students understand the problems
- great teacher, and quick to find our mistakes
- very dedicated to helping students
