

Chapter 14 Practice Problems

Math 2210 - University of Utah

Summer 2007

These are recommended practice problems if you want additional practice to learn the material and prepare for the exam. These problems will not be graded and you don't have to do all or any of them. They're just for use as a study guide.

Section 14.1 - 1, 5, 7, 11, 15, 17, 19, 20, 23, 25

Section 14.2 - 1, 3, 7, 13, 17, 21, 27

Section 14.3 - 1, 3, 9, 15, 17, 21, 27

Section 14.4 - 1, 3, 7, 11, 13, 19, 23

Section 14.5 - 1, 3, 5, 11, 13, 19

Chapter Review - Sample Test Problems covering material up to section 14.5.

Note - We will not be covering sections 14.6 or 14.7, so you are not expected to know them.
