Buy this book.

It’s cheap.
It’s filled with useful stuff.
And, it looks cool on your desk.

Net Vets. You spend a lot of time surfing the web. You are cool. You know where everything is. You amaze your friends with your Internet prowess. Wow - can we have your autograph? Buy the book anyway. We bet you’ve never been to a bank in Germany or read Berzerkistan in Bosnia - An Interactive News Magazine. We bet you’ll find something in the NetPages™ that is cooler than anything you’ve accidently found online. And, if we’re wrong, you can give the book to one of your newbie friends and keep them from bugging you all the time for help.

Newbies. You are on the Internet because your friend Mickey told you you had to be. Now what? Get the NetPages™ - it gives you places to go, people to see, things to do. Cool Web sites (and useful ones, too) and thousands of businesses and people waiting for you to contact them. You can be surfing the net in no time. Amaze your friends. Impress your boss. Get a date. You’ll find it all in the NetPages™.

Give me one NOW. Go to your local bookstore and get one. Or, hop on the web and order one or use our web version at www.aldea.com. Or, call us today with a Mastercard or VISA and we’ll send it to you in the snail mail for $9.95 (postage extra for delivery outside of the U.S.)
