Children of the Wind

A sacred privilege is flight.
Those who share in it have become guardians of the earth:
Have seem what the gods have seen.
Flight reminds us of our fragile nature
And the extent of our temporary presence.
It is a sacred thing,
A reminder of where we were not meant to be,
A reminder of where we are,
Easily consumed,
Our waxen wings lie within the perilous grasp
Of our distracted star.

Eli Khamarov
