Teaching and Learning Methods:  
Material will be presented in lectures and read from the text and  
other sources. Students will solidify their learning by solving  
problems assigned weekly. Significant time will be devoted to working  
homework problems in class. Students should read the section in the  
text before each class.
Evaluation Methods and Grading  
Homework: To be assigned weekly.  

Tentatively, homework will be due Fridays and will be collected  
in class Fridays. Papers turned into the graders ???  
mailbox in the math mail room (JWB 228) by ??? PM Fridays  
before she leaves will be regarded as being turned in on  
time. Homework that is late but not more than one week  
late will receive half credit. Homework that is more  
than one week late will receive no credit at all.
