Permission Code/Prerequisite Appeal Form

If you have already applied for a permission code and been denied based on a lack of prerequisites and you think that this is a mistake, or if you have met with an advisor regarding prerequisites and need to file an appeal, please fill out this form completely and email it to advisor@math.utah.edu. **Attach a copy of your Degree Audit** and any supporting evidence you believe is pertinent for your appeal.

An appeals committee will review your appeal and the official response will be sent to your umail within two weeks. The decision from this appeal is final. Please keep copies of any documentation you submit as this appeal packet will not be returned.
