

December 16, 2020

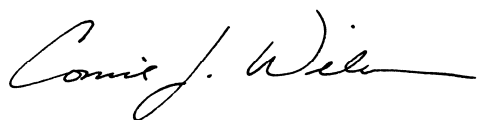

Distinguished Professor Kenneth Golden
Department of Mathematics
VIA EMAIL

Dear Distinguished Professor Golden:

Congratulations! You have been nominated for the *2020-2021 Calvin S. and JeNeal N. Hatch Prize in Teaching*. The University Teaching Committee is now soliciting supporting documentation and requests that the **nominee assume full responsibility for compiling and completing their file**. Attached is a checklist of the documents required for your file. A copy of your curriculum vitae has already been received. Please ensure that all items on the list are sent to Katie Haslam at katie.haslam@utah.edu by **Tuesday, January 26, 2021 at 5:00 pm**. The committee requests that materials be provided as electronic documents, PDF or Word files. The file must be complete on that date to be reviewed by the University Teaching Committee.

If you have any questions about submitting your file, please contact Katie Haslam, University Teaching Committee Liaison at katie.haslam@utah.edu or 801-581-8661.

Congratulations,

Connie Wilkerson, Chair
University Teaching Committee
