

“Mathematical models of composite materials and statistical physics are being used to study key sea ice processes such as its freezing and melting.”

Kenneth M. Golden

University of Utah

“Mathematics and the Melting Polar Ice Caps”

**Kenneth M. Golden, University of Utah,
will deliver the MAA-AMS-SIAM
Gerald and Judith Porter Public Lecture
on Saturday, January 12,
3:00 p.m. - 4:00 p.m.,
Room 6AB, Upper Level,
San Diego Convention Center
2013 Joint Mathematics Meetings
San Diego, California**

**The Porter lecture is one of many activities
at the Joint Meetings devoted to
Mathematics of Planet Earth 2013.
Admission is FREE.**
