

Ice floe diffusion in winds and currents

Anomalous diffusion and sea ice dynamics

sub- and super-diffusive behavior of motion of sea ice floes as tracked by buoy data

Jennifer Lukovich, Jennifer Hutchings, David Barber, *Ann. Glac.* 2015

Huy Dinh, Elena Cherkaev, Ken Golden, 2019

Home ranges in moving habitats: polar bears and sea ice

"diffusive" polar bear motion superimposed with drifting sea ice

Marie Auger-Méthé, Mark Lewis, Andrew Derocher, *Ecography*, 2016
