Comments on course effectiveness

Having quizzes everyday, having two review sessions before exams

-

Classroom community was great and the lectures were easy to follow

The class was very well organized and the class schedule was followed

Flipped class, solving problems together during the class

the videos were great as well as the flipped class room

Instructor Comments

Having her written notes available to print off for class, giving quizzes everyday helped with remembering the material

She was very direct and communicated well and made it very clear that she was available for consultation about both class related issues and personal life issues

Great enthusiasm and she was clearly extremely knowledgeable about the subject

Clear explanations, care about students
